## JUDY MOORE

I was born and raised in High Point N.C. where at 13 I learned to shag at the High Point City Lake by watching other folks dance and with help from a friend's older sister. Over the next few years I danced at the Lake, OD Pavilion, and The Castaways and The Pad ( fake ID). At 17, I got married, moved to Hickory, N.C. where I graduated high school, had my only child ( a son), worked, and went out to dance occasionally. Four years later, my son and I moved back to High Point where I connected with some old friends and met some new ones. I got back into dancing where I met Dave Moore and got married.

We went out shagging some and even did some disco at Dadio's. Over the years we danced competitively at Groucho's, The Bushes, Jolly Knave, Fat Jack's, and other clubs. We eventually got into teaching the shag, judging contests, and Dave started deejaying. We opened a club with Nick and Terry Columbus in Greensboro.

I have attended many Mid-Winter weekends and lots of SOS's. I have been a regular at Thirsty's 2 for many years and have enjoyed summer weekends at the Boat Dock at High Rock Lake and more recently at Lynn's in Charlotte. I have been known to have some parties in the rec room in my basement. Over the years I have danced with several great partners, taught lots of people to shag, met wonderful folks, had so much fun and best of all become a grandmother to two fantastic kids!. I still enjoy dancing, hanging out with friends, going to clubs and just having fun. I am so honored to be going into the Hall of Fame. Thank you so much!
